$674.4B IN TOTAL FUNDING – CONSISTENT WITH NDAA

REBUILDING OUR ARMED FORCES
- Boosts base funding for our military by $17B above FY18 levels to $606.5B total, continuing to rebuild our military - consistent with the House-passed NDAA and enacted budget agreement
- Ensures our military has the resources needed for ongoing Overseas Contingency Operations and Global War on Terrorism efforts with $67.9B for personnel requirements, operational needs, equipment procurement and upgrades, and support for key allies
- Replenishes our military might by providing $148B for equipment procurement, including
  - $24.2B for 13 Navy ships, including:
    - $4.3B for 2 Virginia-class submarines
    - $1.6B for 3 Littoral Combat Ships
  - $9.3B for 93 F-35 aircraft
  - $1.9B for 24 F/A-18E/F Super Hornets
  - $1.7B for 18 C-130J aircraft
  - $1.2B for 58 UH-60 Black Hawk helicopters
  - $1.1B for 66 AH-64 Apache helicopters
  - $2.3B for 15 KC-46 tanker aircraft
  - $1.8B for 10 P-8A Poseidon aircraft
  - $1.5B for the upgrade of 135 Abrams tanks
  - $1.1B for 13 V-22 aircraft

RESTORING MILITARY READINESS
- Increases funding for military readiness programs that ensure our troops are prepared for their missions - providing $243.2B (an increase of $5.4B above base FY18 funding levels) for training, maintenance, and base operations
- Prepares and modernizes our Armed Forces for the future of warfare by providing $96.1B for research and development into new defense systems and technologies
  - Supports research and development of: the F-35 Joint Strike Fighter; space security programs; nuclear force modernization; the Ohio-class submarine replacement; and Israeli Cooperative Programs

SUPPORTING OUR WARFIGHTERS
- Boosts troop end strength by providing $143.2B for military personnel and pay – supporting 1,338,100 active-duty troops and 817,700 Guard and Reserve troops
  - Includes the authorized 2.6% pay raise for our troops - the largest pay raise in nine years
  - Fulfills the requested 16,400 end-strength increase
- Cares for our troops, military families, and retirees by including $34B for the Defense Health Program
  - Includes funding above the request for cancer research, traumatic brain injury and psychological health research, and sexual assault prevention and response
- Ensures our troops can rely on an efficient, well-run Pentagon by making commonsense decisions to save taxpayer dollars where possible and in areas that will not affect the safety or success of our troops and missions
